# CAGE TRAILERS

The Cage trailers are 100% Australian made which are crafted from high-quality steel in Melbourne. We provide galvanised cages that are made to order. With bolted on cages, this allows them to be removed, making it a multi-functional trailer.

Depending on your specifications and requirements, these cage are custom-made to fit any tray size specified, and come with a number of great features.

# CUSTOM MADE TRAILERS

At Clean Cote Industries, we offer custom-made trailers that are tailored to your specifications and requirements.

Whether you need a trailer for your business or personal needs, we can supply custom built trailers that meet these requirements.

When you buy custom trailers from Clean Cote Industries, you can rest assured that the trailer will stand the test of time and provide years of reliable service.
